

Headteacher & Deputy Headteacher Internship Programme for Women

Who is it for?

Evidence shows that there are enduring diversity challenges within the school leadership workforce. Although women make up 78% of teachers in the Yorkshire and Humber region, only approximately 36% of Headteachers are women. This programme has been developed in partnership with the Yorkshire and Humber Diversity Steering Group to tackle such equality and diversity challenges and is for women leaders currently considering application to Deputy Headship or Headship (primary or secondary phase).

Eligibility Criteria

Participants must:

- be in a senior leadership position in their current school.
- have the endorsement of their Headteacher .

How will participants benefit?

The aim is for participants to:

- develop a range of knowledge and skills to support and strengthen next stage promotion.
- increase self confidence and self belief.
- secure a deeper understanding of leadership roles in schools and how they may differ in different organisations.

What does it involve?

- A full 'face to face' day which will focus on the aims of the internship, expectation of participants and strategies to maximise the learning and positive impact of the programme.
- A five day internship spent with a school's senior leadership team, actively engaged in Deputy Headteacher or Headteacher duties (appropriate to the participants next stage promotion).
- A 'review of learning' half-day. This will focus on sharing learning and experiences, evaluation and next steps.

Cost?

A subsidy from your Local Authority and some of the region's Teaching School Alliances mean that the programme is available at a cost of **only £400 per participant**. If your school has a subscription to the Yorkshire Leadership Community then a discount of 10% will automatically apply.

About the Yorkshire Leadership Community

The YLC stepped leadership programmes aim to provide a coherent developmental learning experience across all of the levels, which builds on prior knowledge and experience, provides progression in learning, and which is also financially viable for the schools involved.

All programmes in the YLC are underpinned with the following key principles:

- A focus on leadership learning that will have a positive impact on the education and outcomes of students in primary, secondary, special or other settings
- Effective staff development through the use of action learning and up to date, evidence based research
- The use of coaching to support the development of highly effective leadership behaviours
- The development of reflective and resilient practitioners, committed to career long learning
- The development of practitioners committed to supporting the learning of their colleagues
- Significant input from the outstanding school leaders who work across the region
- The provision of programmes that are responsive to the needs of the education system and its leaders
